At the Carlton, we take care of every detail – aesthetic and otherwise. Expertly restored by renowned architect David Rockwell, the hotel combines old-New York opulence with chic modern style. Each of the 317 guest rooms and suites is handsomely decorated in a pallet of calming colors and textures and outfitted with sumptuous custom furnishing. Our luxurious amenities will charm even the most sophisticated traveler.

From the cascading 2-story waterfall in the lobby to the Tiffany-style dome presiding over our mezzanine level, you'll be delighted at every turn. Next time you're playing host, consider the Carlton. Our eleven meeting and event rooms vary in size and style, so you're sure to find the perfect backdrop for your parties, meetings and events – from intimate functions to large gatherings.
